

# FUN DiP

Cutting instructions:

From Background Fabric

1 - 2 5/8" square (D)

2 - 2 3/8" squares. Cut each square in half diagonally to form two triangles (total of four A triangles).

1 - 4 1/4" square. Cut diagonally twice to create four B triangles.

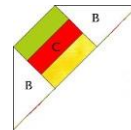

From Block Fabric

1 - strip 1 1/4" x 11" from each of three colors.

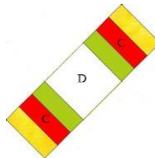

Sew all three strips together. Cut into four 2 5/8" squares (C)

Sew together two BCB units, lining up bottom of the B triangles with the C unit

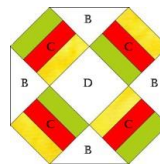

Sew together one CDC unit

Note: I rotated my C blocks to mix things up a bit. You can rotate them however you like.

Sew all three units together matching up the center blocks.

Sew one A triangle to each corner by centering the A triangle on the C unit. Square up your block to 6 1/2".
