Fabric Requirements:

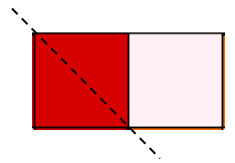

- 1 $\frac{1}{2}$ yards of White Fabric
- 1/8th yard of six different colors
- 12 - 6 $\frac{1}{2}$ " completed Hello Sun Blocks

- 16 - Each color 3 $\frac{1}{2}$ " x 3 $\frac{1}{2}$ "

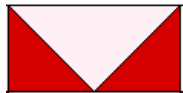

On the back of the colored squares, draw a diagonal line from corner to corner. Place a colored square (right sides together) on one end of a white rectangle. Sew on the line.

Cut off excess seam allowance and press the remainder towards the outer triangle. Repeat this with another colored square on the other end.

Make eight units from each color.

Sew together your star blocks with your Hello Sun blocks in the center. Sew all star blocks together to complete your quilt top.
